INFORMATION ABOUT RETREAT

The ladies wanted to “camp out” so we will be spending the night at the church. Remember it is for ladies only, no children.

If you would like to go home to sleep on Friday night, that will be fine. Or if you can only attend part of the retreat, you will need to let us know what times you are arriving and leaving, because the doors will be locked at all times.

If you are spending the night you will need to bring:

Sleeping bag, pillow (blanket if you want) The floor in the basement is cement so you may want to bring a cot or air mattress. You may sleep upstairs if you want to.

KJV Bible

You may bring a dessert or snack

There will be no smoking or drinking allowed on the church property. You may not leave to smoke or drink and come back.

We will be collecting items for the ministry “Women's Christian Life Program” which is operated by Mrs. Joyce Sloan (former pastor's wife of SBBC). This is a ministry for homeless women, and women in need of drug and alcohol rehab.

They need:

- decorations for their living room (chapel)

- wall decorations for hallways & bedrooms

- luxury and feminine items (perfume, lotion, jewelry, stationery, greeting cards etc)

We will be making some of these things during our retreat. If you have a talent for arts & crafts and would like to make something for these women, I'm sure they would appreciate it.
